“ *Lida was a dear friend of 20 years. She was my sub before she got her own route. She dearly loved her rural carrier job and the people she served in Dahlenega GA, Amite, and Springfield. She still delivered her route while undergoing treatments. She was such a strong person until the end. She always told she was going to be OK and it was up to God and that He was in control. I don't know how she did it for the past three years. I will definitely miss Lida especially when I can't pick up the phone to call her. Love and prayers to Warren, Chad, and her brothers and sisters.* ”
