“ *John, Eileen, Vicky, Lisa*

It was a very sad day for me on hearing of the passing of your Mom and my sister Lillian. I share the grief on your loss. Although she and I were only half sister and brother she opened her heart and accepted us all as a family. I will forever cherish the time spent with all of you as we were growing up. I can remember visiting in Albany and picking strawberries like it was yesterday. I regret though as we grow older we all grew apart as most family's do. Mine and Jeanie's prayers are with you at this sad time.
