Linda was born in Albion, Michigan on March 18, 1947 to James (Jim) and Sue (Tasker) Hurley. She passed away surrounded by her loving family on March 21, 2020 at the age of 73. Linda was a 1965 graduate of Litchfield High School in Litchfield, Mi. She moved to Hammond, LA in 1977. She was an insurance agent for 30 years, retired from A.J. Gallaher agency. Linda was a 41-year cancer survivor. She was a charter member of Tangipahoa insurance women. A proud recipient of the Don Broussard award of excellence through A.J Gallagher in 2012, of which only 3 were ever awarded. Our mom loved flowers, gardening, spending time decorating her new home and spending summers in Michigan with family and friends as well as playing cards with her Michigan gals.

Linda is the loving mother of 3 remarkable daughters that she left behind, Tammy (Sprague) Hardiman, Teresa (Sprague) Theard, Misty (Haskell) Afana, (4 grandchildren) Bryan "Andy" Theard (Heather), Lindsay Hardiman Champlin (Chris), Tyler Theard (Kristen), Julia Hardiman, (4 great-grandchildren) Bryan Theard II, Case Hardiman, Waylon Theard, Amelia Theard, (Sister) Twig Hurley Bousfield (John), her best friends Cindy Cancienne, Lee Guitrean, and her very best friend and loving ex husband Danny Wildt, along with many nieces, nephews, and immeasurable friends.

Preceding Linda in death were her loving parents, James and Sue Hurley,

sister, Brenda (Hurley) Swafford, brother, Rodney Hurley, niece, Carrie (Swafford) Everett, nephew, Jayme Swafford, and her precious unborn son.

Linda was one of a kind, sweet, sincere, loving, and giving woman that always had a smile on her face and loving heart. She was loved by many and was an amazing mother and hero to her daughters.

“ Linda was an amazing woman! She was honest and forthright in her beliefs, which included being kind and supportive of others. She was a rock to her family and friends, and I count myself as both. I am so glad I got to spend time with her before Christmas. She was planning a breakfast for her family to celebrate her favorite holiday and she shared the menu with my sister and me. My last memory is of Linda's joy at being able to do something special for others. Taking care of others was the purpose and pleasure of her life. I know my grief can't be compared to the loss to her daughters and sister, but I will miss her.

John 14:1-4 “Let not your hearts be troubled. Believe in God; believe also in me. In my Father’s house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also. And you know the way to where I am going.”

“ *Linda was the embodiment of love to me. Her love of family knew no bounds. She was there for everyone, as a sounding board and listening post when someone needed encouragement and support but also a generous giver. There was nothing she loved more than cooking for family, playing with great grandchildren, going out of her way to attend family events, a graduation in Pennsylvania, a wedding in Tennessee. I was a relative by marriage only but she never made a distinction and gathered me in. She was a unique and irreplaceable person. I will treasure my memories of her.*

“ *I have so many fond memories of Linda. She sponsored me at the Litchfield Youth Center when I was 12, so I could go there and dance. Of course, she was my favorite babysitter, even though I didn't think I needed one. I can't even count how many times Linda, Brenda and I played rummy, drank Pepsi, talked and laughed together. Linda listened to me rant and has helped me wade thru my life, giving a little advise but mainly just being there for me. I will miss her, her smile and wit as many will. I pray for her daughters now that they will have peace in their hearts.*

“ *I love and will miss Linda so much. She was always such a force in my early years as a babysitter, friend and my sweet cousin. She was someone always available to listen when I was confused by life.*

May the Lord keep you in his loving arms.

“ Back in the day when Linda did babysitting, she would babysit "The Hurley Girls" for extra money. She was a fun babysitter. When it rained, Linda would take her charges out on the porch, sit in the porch swing, wrap a blanket around us and watch the storm. She loved the smell of rain.

I also remember times when Linda would babysit, she would pay one of us girls a penny to scratch her back.

Linda was not only a great babysitter, she was a wonderful cousin, and good friend. I loved her dearly. I miss her. Vicky Hurley.

I will never forget the two of us living together at the apartment in Litchfield. I had my daughter Kim and Linda had Tammy and Teresa. We had so much fun with the girls. When we could not afford meat for dinner we would fry up a whole cast iron frying pan of potatoes the girls loved them. To this day when I fry potatoes I think of Linda. I miss our long talks. Laughing, crying, and bring up old memories. Miss you more than I can say. Love to you girls and can't wait to see you. Love Aunt Joyce.
