“Nathan and family I am so sorry for your loss, in fact I feel shattered. I had the pleasure of meeting Lisa & Nathan at the Ovarian Cancer Convention in Washington DC and marched to the capital to talk to our representatives concerning OC funding. It became an instant friendship and we were blessed to do another trip to Seattle last year. She was a real pioneer for us women battling this disease and such an inspiration. She proclaimed Christ's praises and you walked away a better person just by her presence. She will always be my special Teal Sister and treasure the time I had with her. Until we meet again dear. Love you.
