“ Logan was in our Ag Leadership class his Sr. year at PHS. He was a peer buddy to one of my former special education students and befriended other students in my class as well. He was an amazing buddy and leader to my kids that year. It saddened all of us to hear of his passing. I can say this without a doubt, Logan made an impact on several students with disabilities lives and on the heart of this teacher! Praying for his family and friends!

“ To the family of Logan Murphy, may I express my deepest condolences in the tragic loss of this young man. I'm sure this can be counted as the worst time of your lives. May God give you peace and help you through this terrible time. You will be in my prayers.

*I looked up a couple of Bible scriptures that might help a little. One is in John the 11th chapter. There is the account where our Lord, Jesus Christ, raised a friend of his named Lazarus, from death back to life and gave him back to his family who loved him and missed him so. Right before he raised Lazarus to life he told Lazarus' sister, Martha (verse 25) this: "Jesus said to her: "I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life". Then in Revelation Chapter 21, verses 1-4 is described the type of world Logan will see upon resurrection, a completely new world where God will dwell with man, and Verse 4 says: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away."*

“ To the family of Logan Murphy. You do not know me but I too lost a son to a car accident in 2012 Kris Murphy. He was 20 years old at the time. It is a horrible thing to have to endure but God loves us and understands our sorrow and WILL get you through this I promise. You will NEVER get over it just learn how to live with a broken heart forever. You are in my prayers as you say goodbye on Friday which is by the way my Kristophers 25 birthday. GOD bless you all.

“ *My sweet sweet baby boy. You were my baby doll growing up. I was so proud to push you around the hammond mall trick or treating. You were such a beautiful baby. Watching you grow up wanting to be like your daddy. I was so happy to see how much yall loved each other. Your brought your mom and dad so much joy and love. Thank you for that. I know we will see each other again. For right now, pawpaw and Uncle Eddie will take care of you till we are all together again. We will miss you so much. Fly high baby, fly high.*
