“ So saddened to see this sweet lady leave this life but know she has just moved forward into the next. Mrs. Lois taught me in 5th grade at Springfield Elementary and I so loved her as a teacher! She ran a disciplined class room and you learned! Much of what is missing in classrooms these days. Rest in Peace and know that you made a difference in my life.

“ Well, Cuz I remember a few kind and thoughtful things about you. When you were teaching in New Orleans and staying down there for the week, you would ALWAYS bring me something (usually a toy or clothes) when you came home for the weekend. I remember when you took me to New Orleans as a child on the Greyhound to see the city and do some shopping. I remember the times you took me to the park in Hammond. I remember the times you cooked my favorite dishes. When I was in SLU I remember the times you opened your house to me giving me a key so that I would not have to travel back home between a morning class and an afternoon class. I also remember those times as an adult I would have a nose bleed that would not stop, or high fever, or severe headache and you and Buddy would come to the house no matter the time. When I said "NO" you would jokingly give me those teacher eyes and say "Yes you are going. I am the Matriarch. Get up and get ready NOW" Of course we went to the ER.

Most of all I remember your extremely strong faith and love for the Lord Jesus Christ by showing your love, support, and attendance in His Great Church. You leave quite a LEAGACY. Now you leave me alone as the PATRIACH. I hope with my health that I can carry the torch as well as you did. The Greatest of Eternal Love. See you Later!!!
