“ Dear Pam,
So sorry about the loss of your dear Mother. I lost my Mother, Helen Tallia last year in February 2022. I was her caregiver until her last three months.
Although we expect to lose our parents within our lifetimes, we are never ready to say goodbye.
I will keep you in my prayers. Our paths don't cross anymore but we will always have the bond of the years we spent together at Natalbany and Hammond High. I remember your Mom always being friendly when I would call your house.
Keep me in your prayers too. I'm alone now as I lost my husband in 2017 after being his caregiver.
I wish you well and think of you often.

“ Grandma was such a loving, caring and sweet person. She was loved by all who crossed her path. I'm so thankful that she was with us for so long and that my children and grandchildren were able to know her and experience life with her. She shared her love of Jesus with us and taught us so many life lessons. She didn't always sugar coat things for us, she let us know how she felt about things. I will forever cherish all the memories with her. I love you Grandma and you will live in my heart forever.
