“ Lori and I were good friends in the 1980's when we both worked at the Social Security Office in Hammond. Louise introduced us and from that day forward we were best friends. We hung out everyday going to lunch together and hanging out after work. Lori loved to sing and sang at my wedding. She and Marley sat together on the first pew and Marley just watched as her mother sang like an Angel--it was absolutely beautiful. Although I have not seen Lori in years she truly touched my life when I really needed a friend. I will miss her. I will keep her children and family in my thoughts and prayers.##imported-begin##Julie Sambola-wagner##imported-end##

“ Our prayers are with the children and the rest of the family. I, Jenny, personally, will miss Lori as a friend but also as if she was part my family. I still remember her sweet voice singing in our wedding over twenty years ago. She was a wonderful person. The ones who knew her best, knew that she struggled with life in many different ways. I would describe her as a bright, loving, caring person with a broken wing. No matter what, she was loved. Now, her broken wing is healed and she can fly and be at peace with the Lord. You will be missed greatly, Lori. Jenny, John, Jonathan, Joshua and Jillian Burrell##imported-begin##The Burrell Family##imported-end##

“ Lori always had the most amazing voice. While she was attending Kingsley Elementary and Ketron High School she was chosen for solos and special ensembles because she was one of the few of us that COULD actually sing. But my favorite performance was when Lori returned to Kingsport to sing at my wedding on July 19, 1980. She did a beautiful job as always. Thank you, my friend.##imported-begin##Debbie Miller Percy##imported-end##
