

## Lucille "Lucy" Karm

May 30, 1924 - June 20, 2021

Lucy, age 97, went to her heavenly home on Sunday, June 20, 2021. She was a native of Michigan, longtime resident of LaPlace, LA, and a current resident of Ponchatoula, LA. Lucy was truly a social butterfly who loved being surrounded by people. She was known as a caregiver and volunteered at church and animal hospital. Lucy loved going on trips with her family, even if it was just to the zoo. She had a knack for baking cookies and sweets, and she took great pride in keeping her house immaculately clean. Lucy was an incredible mother and Grandma who was most happy surrounded by all of her grandchildren. She was an exceptional woman who will be forever missed.

Lucy is survived by her daughters, Karen Karm Peterson (Jim), Judy Ann Ferguson (Scott), Sharon Kay Rogers (Wayne); grandchildren, Lucy Boutte (Christian), Scott Ferguson (Kristen), Wayne Ferguson (Kristen); and 7 great-grandchildren.

She is preceded in death by her husband, Lester B. Karm; grandson, Jim Rogers; parents, Thomas and Myrtle Gaylord; and numerous siblings.

In lieu of flowers, donations may be sent to The Methodist Children's Home of Greater New Orleans or The Animal Rescue of New Orleans.

“ I too was getting ready to send Lucy our annual Christmas Card, but decided to google her name instead. I met Lucy and Lester in 1971 in Troy on Crescent Way. They were just such a joy to know. My memories are just the best. We had a most wonderful community. They will be missed always.

“ I was preparing to send Lucy a Christmas card - something the two of us have shared for many years. I had heard about her and Lester long before I met them. Les was in the 62nd TCS - the "Yacht Club" - with my Dad, David E. Mondt - in WWII. My Dad organized their squadron reunions every year. I finally met Lucy and Les in 1994.... and fell in love with both of them. She and I had a very special connection. I was the unofficial Yacht Club nurse and was there in Little Rock when Les suffered a stroke. He and Lucy were two of the best people ever. I had a feeling as I was getting ready to send her card... I have hers from last year... and, sadly, my fears came true. I wasn't surprised, but finding out she'd died and seeing her photo, just made me cry. I shall miss all the "Yacht Club" boys and their brides for the rest of my life. But I'm a better person for having known them. Maybe Lucy will be my Angel now.

“ Our prayers and love go out to the family. I remember her her smile and her laugh.

*She always made me feel safe, loved and appreciated. The last thing she said to us in person was that she loved us. My Aunt will truly be missed. Tom and John*

“ Miss Lucy always had a smile on her face from when we first met helping out at the animal hospital in Laplace to when I bumped into her and Sharon at Winn Dixie a few years ago in Hammond. Always a sweet lady that I am sure will be deeply missed. Sincere condolences and sympathies to the family and all her friends.

“ So sorry to learn of her passing. Connie and I were fortunate enough to know her as a Laplace neighbor. One of the sweetest and kindest ladies we ever knew. Will there be a service?
