“ Lynette was my heart friend. Her wholehearted persute of God and kingdom living was an inspiration to me. I will charish our long talks where she would teach, encourage, and challenge me to go further. I often thought of her as a care-bear because of her big heart and dedication to her family. I truly miss my friend, one day when I join her in heaven, we can pick up where we left off. Sending blessings to Darryl, Keegan, and Cullun.

“ You are worshiping with the angels in heaven now my friend. Even if we had shared one more hug, one more I love you, one more laugh, one more meal, one more phone call...it might have helped, but it could not fill this void. We will see you again. Our hearts are with the ones you love. Isaiah 57:1-2

“ *I met Lynnete in Fiji this past October, we were apart of a Christian group learning how to take our messages to the world and learn how to live a life of freedom. Although Lynette was short she was a powerhouse, always making me laugh and she always spoke highly of her famly. It was Lynette who shared her natural oils with me on my bites on my body which later turned out to be Shingles. Though I didn't know her for a long time she made a powerful impact on my life and I will truly truly miss her. RIP Lynette with much love-Dawn*

“ *Prayers are with the family and dear friends of Lynette. I had the wonderful opportunity of meeting Lynette and Marianne in Israel back in 2012 and was blessed to be able to hang out with them during my first ever solo trip. We became fast friends and had such a good time together, there was one day in particular (eating St Peter's fish) that she kept me in stitches (I laughed so hard my sides hurt). It's true what the Word says about laughter being the best medicine. My heart aches for her family and those closest to her, but at the same time is filled with cherished memories and another reason to look forward to heaven.*
