“ She was a lovely person . I always enjoyed being in her companybecause she loved jehovah so much and it always showed. I remember when Janis and I went on our trip she would call every day to see what we had done that day. I also looked forward to her calls she was just as excited as we were, what we did every day. She keep Janis's spirit up. I know Janis loved her very much and will miss her extremely. She always seem like the rock of the family. And will be sadly missed. With the help of Jehovah you as a family will get through this difficult time. Ed & I send our love. The Willis family##imported-begin##Jerry Willis##imported-end##
