“ Dearest Renee & Joe,

Your Mother was a very loving and caring person, who cared deeply about all of her family. Growing up my Little Sister gave me so many wonderful memories that I will cherish forever. I was so proud of her accomplishments as a person, a Mother, and a Granny. Those memories we will hold close to our hearts and keep forever. We will miss her Greatly.

Love,

Milton & Gail##imported-begin##Milton & Gail Moore##imported-end##

“ Renee & Joe and Family,

I am so very sorry to hear of Marilyn's passing. Just last week I was looking through some old albums of Granny & Pappy and the family. Every turn of the page brought both tears and laughter, remembering our childhood and what a wonderful family we have. Take the time to thumb through some old pictures, it will be the little things that you will remember, the smiles, the laughter, and the joy that our kids have brought to our family. And though it might seem hard right now, it will be the memories of these little things that help to get you through the pain and bring the smile back to your hearts. We will be praying for your friends to comfort you in this time of need, your faith to lift up, and your loving memories of your wonderful Mother to help your hearts rejoice.

With all my love,

Ronnie##imported-begin##Ronnie Moore##imported-end##
