“ *Miss Marjie made the days the best when I worked at Belle Maison. We would watch the Golden Girls together, and she would make me laugh. She was the best. Her spirit was incredible, and I loved her dearly. Thank you, Miss Marjie for the laughs and the love. Rest easy.*

“ *My Dear Sweet Yvonne We go a long way back even though you were my Aunt you were more like a sister to me because you were only 18 months older than me and we grew up together and played together when we were younger .I have fond memories of us playing together ,one of the times I remember was when you broke your arm while we were playing wheel barrow I was holding your feet while you walked on your arms and we got going to fast and you fell and I got in trouble because mother said I pushed you to fast .Sorry I did not get to spend more time with you but I know you are safe in the arms of Jesus and not in any more pain and we will see one another again soon.R.I.P*
