“ *Michelle and family,*

I will forever remember the wonderful times we shared together in Blairsville, Georgia..... Marlene and Mickey loved their mt home and we loved having them in Blairsville. We shared many good times together, laughed alot and enjoy being together. Marlene was a dear and loving friend and I will miss her deeply.

She always spoke of her deep love for her family and when you all would plan a trip to Blairsville she was so excited and busy getting ready for the arrival.....she loved her grandchildren without a doubt and it was always apparent how deeply they loved her.

Michelle, you are like your mother in so many ways and she was so proud of you and how you handled your life. I know you will miss her and I only wish I comfort you but you were so blessed to have her after the loss of the dad. Know I'm always thinking of you and praying for all of you and wishing I could see Marlene one more time. I loved her so!

Sending my love to all of you and prayers,

“ Dear Michelle, Jay, and families,
I was so saddened to hear of your mother's passing. She was an amazing woman who made a positive difference in so many lives. More importantly, she was a loving mother who was so very proud of you two. When I was a teenager and she hired me as a tutor, I didn't know what I was getting into. I quickly fell in love with the family, though. Mrs. Marlene always had a smile and always found the words to make me feel good about myself. Even years later I loved running into her. I know losing such a wonderful mother is hard. Please know that I will keep you in my thoughts and prayers. May God bless and comfort you all as only He can.
Love,

“ *Michelle and family,
I am so sorry to hear about Marlene. Know that my family really enjoyed all the holidays that we shared with her. She was so funny and so easy to like. I loved her attitude and I know you are feeling a terrible loss right now but she is still and will always be in your hearts and in your thoughts forever. Please tell the boys we are thinking of them as I know that you all were so close and so loving. Please let us help in anyway that you may need us as this is our way of showing you our love for her.
All our love,
Aunt Phyllis and the rest of the Brooks' family*

The world stands still one someone with such a tremendous force of love and beauty leaves the world. Your Momma was just the most amazing joyful soul. My life will forever be filled with joy and laughter . In these last years you have given so much. What an honor to know such a courageous warrior of love and protection and love you have been for your Mom. Our deepest sympathy and heartache at this time of change. But the spirit of Marlene will be ringing in the laughter and beauty of her family forever.
