“ She was a long term part as "granny" of my children's life, her other two grandchildren, and my step mother for as long as I can remember. I am hurt that she is gone. I miss her and think of her often, but I am glad she is finally not hurting anymore. I send my prayers to Dixie, Glenn, Jacob and the rest of their family. I hope you all find a way to accept God's peace for your hearts in such a hard time. Sorry I didn't attend, as my father and I are just finding out of her passing today.

“ I will miss you Marlene. You were a good friend during some really bad times. We were there for each other during our single parent days. You brought a bright shining light into my world at that time and I will always cherish the memories we made as we worked and had fun raising our kids. I will always be thankful that you introduced me to my husband, Bubby. I have a beautiful family today thanks to your thoughtfulness. May God bless your family and be with them as they go through this difficult time. I love you!
