“ My sweet niece, my heart aches for you, knowing that we won't see each other for a long time. I will always keep the memories we made when you were growing up in my heart & remember them always. We (you Suzanne & me) enjoyed quick fun outings around New Orleans as well as longer fun trips to Illinois where we visited family. During those times we also enjoyed those fun & "sometimes" educational side trips throughout Illinois & Missouri. Lifetime memories were made on those trips.

Our lives will never be the same, you left us way too soon; however, I know you have joined your beloved Grandparents (The Ryans & McMillions). I think I can hear your Grandpa Mc laughing at something you said, while Grandma Mc is shaking her head with a smile of disbelief on her face. Give each other a hug from Me. I remember when you were a Children's Sunday School Teacher and would talk with your students about Heaven and NOW you are in Heaven living with God, What a Blessing.

Love You Always, Aunt Donna
