“ *Mary was a sweet, kind and special woman. I met her when I moved into the house across the street from the Besse family. They all welcomed me with open arms and treated me like family, never like a stranger. Mary and I used to have talks over coffee, I never liked coffee but loved the conversations. We talked about any and everything. I moved back to VA and when I went back to LA I would always visit and there she was welcoming me like I had never left. She loved her family and I know they loved her. She will be greatly missed by all that knew her. My thoughts and prayers are with you all. Love and miss you. Susan*
