“ *Aunt Mary will always have a very special place in my heart. One of my fondest childhood memories was of spending time with her and Uncle Buddy at the store perched on the counter and being spoiled rotten. A very special memory though was on my wedding day, Aunt Mary, so excited, there at my house taking so many pictures of me getting ready that I was almost late to the church. I loved her so much and will always be proud to carry her name. My love and condolences to you, Diane and Larry, along with all of your families at the loss of such a sweetheart.*
