“ *Offer my condolence to the family, death our enemy claimed another life. We know from reading the bible that God yearns to bring our loved ones back to the earth as Job 14:13-15 says. Jesuse gave us a preview of this by bringing Lazerus back as John11:25,26 says. May this comfort your family through this difficult time.*

“ Oh my dear Grandmother, where do I begin? You have touched my life so much since day one. You've raised me into the fine young man I am today. We went through thick and thin together. We were inseparable. I'll never forget our little jokes that only me and you got. All the laughs, the cries, the picking! Definitely the picking. You were a wonderful Maw Maw and I wouldn't replace you for any other human being. You are my rock, my light, and now my guardian angel. I'll always be "Maw Maw's baby" no matter how old I am. I'll always talk about the best memories that we shared. We were like two peas in a pod lol. You hated it when I called you by your middle name, you would call me "Skeeter" and I would call you "Maw Maw Matilda". Lol. That was the best one. Fly high my angel. You are in a much better place. I love you "Maw Maw Matilda."
Love Always,
Your Grandson

Though we never met in person, Mary always had a way of making everyone she came in contact with, feel like they were friends from way back when. Her FB posts would always make you smile and warm your heart, whether it was from the vibrant colors of a bird, to a slap stick old joke . Her posted You Tube songs from decades back would also bring back the best of memories. You just kind of felt like you knew her so much more than you actually did. I am so heartbroken, but also delighted that she is free of pain and flying with the angels. Mary blessed all of us with her love and now Heaven is blessing her. RIP Mary...you will be dearly missed by so many.....
