“ It was a joy working With Mary some of my favorite memories is when you drive up and she's sitting on the porch and she will meet and greet you Before you get out of your car. Another favorite memory is she loved for you to rub her hair and love saying her favorite word and to laugh afterward. Mary also loved to hug and show off her nails .Mary you will be forever missed my girl.

“ I fell in love with Mary when I became her team leader. I would always cherish the memories of taking Mary to get her hair cut and her nails done. As Mary get all dolled up, she will look in the mirror and say her favorite word as she rubbed on the mirror. Mary Love sitting outside to watch the dog walk to the to the trashcan. Mary love to laugh so hard and I think it was scare the dog. Everyone knows that she love holidays and Mary will laugh at everything Mary Hart will be forever Missed ...

*I enjoyed working with Mary hart. She would laugh at everything and enjoy showing off her hair and nails. She loves going on rides attending parties sitting outside and rocking in her chair while she looked through magazines. It was a joy to work with her. Mary Hart will truly be missed.*

*I have known Mary for about a long time. When I was hired at HSS/HDC in 1974, I worked with Mary. She was young and active running all over the place. As was loved then and even more so when she moved out into the community. Her laughter, her friendliness, when she would come up to you and smell your perfume and show you her hair. She loved to smell good with powder and cologne. She was loved by all who knew her! We will miss her making an entrance into the office. Gone but not forgotten!*
