“ *I will think of you always and smile in delight when I sing to my children and grandchildren all the wonderful dittas I have heard you sing over the years. Thank you sewing my friends and I into our bridesmaids dresses! Thank you for always being my cheerleader and supporting my parents in raising us. I know my mom needed a sister-in-love that "new the ropes". I was so delighted to see you just before your surgery and I will always remember your joyful, electric blue eyes. Rest in Peace Sweet Adeline.*

“ I will always remember her laugh. She was one of the most patient, gentle, kind, generous ladies I've had the privilege of knowing. She was the best sister-in-law I could have asked for. Your passing is a huge loss for so many. I love you.

“ I will always remember Adeline as a very beautiful lady...James and Adeline would come to visit my mom and dad when I was growing up, and I always thought she was the most beautiful woman I had ever saw...I know you will miss her, James...I know Mama and Daddy were very happy to see her arrive in Heaven today..I am sure they are talking about all the good times they shared together..I pray that your family will find peace that passes all understanding...and they know how much you loved them, and will see them again one day...Godspeed, Adeline.....
