“ My name is Donette Thomas, and I played tennis with your mom for years. We went on many fun trips together. She had the best sense of humor and the greatest laugh! And, boy, could she lob a tennis ball! She was so very proud of her family. The video you put together is awesome. I hope your Dad is well. I know he will really miss her, as we all will. He was greatly respected in the oil business. I feel blessed to have known both of them. May God bless all of you and keep you safe...❤️🙏🥹

“ It was a honor to visit with Mrs Mary. She was always so kind the few times I was able to see her. I am truly sorry for your loss and pray that you will feel Gods peace in the upcoming days as you deal with your loss. Know that I am here for the family as walk through this new chapter of your life. "May the Lord bless and keep you, May He cause His face to shine upon you, and bring you peace." May all the warm and special memories you shared with your loved one, stay with you and bring you comfort through all the days ahead.
