“ My dad used to bring me to all my activities, while in high school and never complained. His words to me until he went to heaven was "ok baby be careful". He was my special babysitter and he loved doing it. The boys were excited when they knew PawPaw was coming over. He would take them to get snowballs. That was their special times. I could always count on him. Love you Dad!!!! Will miss you bunches!!!

Your 1st born ,(Dad's name for me sometimes)
