

## Melissa Marie Tobin Labranche

April 27, 2020

Melissa Marie Tobin Labranche, age 56, passed away at her home surrounded by her family on April 27, 2020. She was a native of New Orleans, LA, and a resident of Maurepas, LA. She will be greatly missed by all. Everyone that had the pleasure of knowing her absolutely adored her. Melissa is survived by her husband, Richard C. Labranche, Sr; children, Richard Labranche, Jr. (Jamie Lynch), Makayla Labranche Slone (Justin), and Makenna Labranche; mother, Barbara Ann Tobin; sisters, Melynda Hanna (Lionel) and Krista McLin; father-in-law and mother-in-law, Deacon Frans and Delphine Labranche.

She is preceded in death by her father, Patrick Tobin.

Melissa's husband and children were her world. She was a devoted, loving wife and a passionate, nurturing mother. She loved the wonders and awe of nature and was in her glory growing beautiful flowers and hiking in the mountains. Melissa was definitely a bright light in this world. She exemplified true love and showed everyone what love and charity should look like.

Due to the current order by Gov. Edwards, the family is not able to invite the public to a visitation or funeral services as intended.

A private family graveside service will be held at Maurepas Community Cemetery.

The family has requested that the obituary please not be shared on any social media sites. Thank you.

“ I am deeply saddened by the news of Melissa's death. I remember each of you as my brother Billy and I visited with you about your insurance needs. Billy has also passed away, but the memories will remain forever. May the Lord bless each of you in this time of sorrow. Katherine and I send our love and prayers for the entire family. Melissa's parents were great to have in our midst.

“ I am so sorry for your loss. I did not know she was sick. Have so many memories of her. Just the other day, I was thinking about her when she made a Santa Claus to hang on the door when she was in high school. Loved her so much. May God bring comfort and peace to the family.
