“ I pray that God stands with your family through this rough time in your life. Me, Brittney, and Bridget have been trying to find out when the arrangements would be. I am so sorry that we missed them and were not there for you. But I will be coming of that way to visit. I am still in shock over this and my heart is broken. I have not been able to locate your phone number but mine in 985-956-8588. Call me if you need anything or if there is anything I can do. I really loved Melissa and this is such a heartbreaker. I am so sorry that I wasn't able to be there when you needed me the most. Please send my your phone number so I can get directions to your house. I love you all and my prayers will be with you every night. May God Bless you all and carry you through this hard time in your life. Please tell Amy we are thinking of her and will be over there asap. Love,
