“ I will miss you my dear friend. Talking to you was always a great pleasure. I went to bring your jelly to you today when I found out you were gone. I will always remember you and every kind word. Always lifting others up . You were the kindest person I have ever known. Always wanting to be there for everyone. I know you are no longer in pain but my heart is broken. You were a gift to everyone that knew the real you. I am thankful you opened up to me and I am blessed to have known you,

“ I'm so sad hearing Michael is gone. We shared friends and good times in the late 90s/early 2000s. 25 years have gone by, and his death hurts me like it was yesterday. He was a bright, child-like spirit and an awesome friend, and I knew him to be a great Dad. I will miss you my friend. I wish we had more time.
