“*Dear Mike and Nick Roye: We are saddened here in Arizona and our hearts grieve with you both and your family. We should not grieve hopelessly, but mourn with hope. { 1 Thessalonians 4:13- 18} We will all be united with our love ones for those that believe in Jesus {Yeshua}. We will always remember your dad as a warm and caring spirit. God bless you both and your family. All our love, Nick, John and Joy; the Colluras' from AZ.*

“ *My deepest sympathy go out to you and your family during this time of grief. May you have comfort and peace knowing that “The Bible calls Jehovah God “the source of life.” (Psalm 36:9; Acts 17:24, 25) The one who gave life to all living creatures is certainly capable of restoring life to someone who has died.” Please accept my condolence, and know we are here for you. If you have any questions please contact me at the email listed.*

“ Are thoughts and prayers are with the entire Roye family. We are deeply saddened by the loss of such a kind, caring and thoughtful man. So thankful for our reunion last March and the many memories. Wanted to share this as the words spoke to our hearts. A limb has fallen from our family tree I keep hearing a voice that says "Grieve not for me" Remember the best times, the laughter, the song. Continue my heritage, I'm counting on you. Keep smiling and surely the sun will shine through. My mind is at ease, my soul is at rest. Remembering all, how I was truly blessed. Continue traditions, no matter how small. Go with your life don't worry about falls. I miss you all dearly, so keep up your chin until the day comes we're together again.

“ Mike has been a member of the Bill Hood Ford Lincoln Family for years and what I can tell you Michael and Nick with no reservation is how incredibly proud he was of you both. Having come through the flood and finally getting his home back in order he was looking forward to the Holidays where he said he was going to host a big dinner and have all the family in. He also spoke fondly of his grandchildren. Almost no child who visited the dealership were overlooked by Mike who would often offer to buy he or she a snack from the machine. Probably just after Thanksgiving through December 23rd when I ran into Mike which was pretty much daily he would say "Merry Christmas." He said it so often I would laugh each time and respond in kind. This past Tuesday when I saw him he smiled big and said "Happy New Year!" Little did I know that would be the last time I would see him here.

As I reflect on Mike I see him as an humble man with a great big heart. A man whom I never knew had so valiantly served our country. He preferred to talk about his sons' accomplishments rather than his own. Our prayers are abundant for you all. Lord let your perpetual light shine upon Mike and boys take comfort in the fact that this is not the end but the beginning of a forever life for your dad. Those of us who believe shall all see him again.

“ Dear Mike & Nick,

Jeanne and I were so saddened at the news of the sudden passing of your father. Deeply sorry for your loss!. Mike was a good man with a big heart and a hearty laugh! I'll always cherish the memories we had back in Jackson with my sister and you boys. Mike always reminded us back in New Jersey how much he missed and loved us all. We will miss you Mike!
