“ So sorry for the loss of a wonderful lady! Mildred always had a smile and kind word for anyone that came near her. She was such an outgoing upbeat lady...never a dull moment when you were around her! I will always cherish the memories of spending time with her. Everytime I pass the 'old homestead' I think of the good ol days. My thoughts and prayers are with her family. Love you all!

“ Our hearts and prayers are with each of you!! Maw Maw Watts was always such a wonderful and amazing woman that we will always hold dear to our hearts. She lived life the way it should be lived, she kept God and family first in her life and I feel honored to have been able to call her Maw Maw!!! The world may be behind her but the glory of heaven is before her, no pain or sadness, only love and rejoicing from this day forward.
Love Always,

“ I am saddened by your loss, Mrs. Mildred was a wonderful lady. i will always remember her smile, her pleasant nature, her love and dedication to her family and friends. Her work as a Mother was not in vain, as she has left a legacy that lives on in each one of you. She raised her family on a solid foundation with Christian values, full of love, respect, caring, sharing and nurturing, giving each of you a positive direction in life. She was so proud of each and every one of you. I know it is a heart wrenching, sad time in your lives to have to let her go, but as we all know, she was ready to spread her wings and journey to her heavenly home. May you all find comfort in the fact that her body will no longer be wretched with pain and suffering. May your heart be warmed by the thought that Jonathan was waiting for her as she entered into her eternal home, whisking her on a tour of heavens bounty and beauty, i am sure He and your Dad are waltzing with her on the streets of gold as she reunites with all the loved ones who have gone before her. I bet there is an endless bounty of cross-stitch supplies sitting by her heavenly throne! In your time of grief and sadness may each of you find comfort in the wonderful memories of your mother. She was truly a treasure and may her memories live forever in your hearts. God Bless each and every one of you.

“ *Some of my fondest memories are of the years we spent in Pumpkin Center...I know that my Mom considered Aunt Mildred as her closest friend during those years since she lived away from her siblings in Madisonville. And, the cake recipes that Aunt Mildred shared with Momma remain a big part of our special occasion celebrations. God bless you all as you pay tribute to her life and love.*
