“ *My memories of Millard is helping him with his R/C models in the early 70's with the Orleans East Flying Club in Joe Brown Park. I was a young teenager and Millard treated me like I knew every thing about the hobby. When ever we would meet he ALWAYS made me feel like I was his best friend. I think he did that with ever person he knew. We will miss you and I hope in Heaven you are able to fly and play your music.*
