“ I have many memories of granny.

One of my favorites is that when she would baby-sit me when I was a kid, she let me run around in only my underwear. So, as soon as my mom would leave, I would take off my clothes!

Second, everytime I would visit she would ask where AJ was and tell me to tell him to be safe. This would then lead to a phone call and she would smile so big. AJ and I loved how much she loved AJ!

Third, I remember all of the talks that we had. Most of them were crazy, but they would light up both of our days!

There Andre plenty more....you will be greatly missed!!

SA

You brought so much sunshine into her life my baby. She knew she could ALWAYS count on you to be there and to understand and side with her in her craziness! Lol! I have no doubt that she IS your guardian angel now.
