“ *May you be comforted by the God of comfort. He gives us strength beyond what is normal to deal with such sorrow. Be assured that he is not far off from us when we pray to him. His promises are sure and true when he says at Isaiah 25:8 that he will swallow up death forever in the future in his due time. Jesus's promise is also true when he spoke the words at John 5:28,29 of the resurrection of the dead. We will see our dead love one again in God's due time. Ms Frazier at 5:25*

“ *Dear Laurie, Barry and Jamie, we are so very sad that your mom left us so soon. You know how far back we go as friends, and even though we didn't get to see each other that often, we all had such a love for her and you all in our hearts. She was the first one to come and see us after Julie passed away, and months after she sent a beautiful card to us which read "There's a special place in my heart just for you---that's filled with caring thoughts and warm wishes, and the nicest memories. I'm thinking about you, (signed) Nancy." We just want you to always know that there is a special place in our hearts, and always will be for her. We loved her very much, as we do you all. You will be in our hearts and prayers as you go through these sad moments in your lives.*
