“ *Nancy came to Louisiana and was introduced to me through our international doll collector's organization. I immediately invited her to join our local Northshore Doll Club. Was that a wise decision for me and a great acceptance by our club. Nancy was very active and loved all she participated in with our club. She gave of herself and her talents to the club so willingly. Nancy served as our club treasurer for several years, always willing to continue serving us. She was a very special friend to my husband and i. She will be gravely missed. We share her family's loss and pray for them to have strength in this time.*
