

Nash "Nashy" Benjamin Bennett

June 9, 2015 - July 3, 2017

On Monday, July 3, 2017, Nashy went to dance with Jesus at the bright age of 2 years old. He was born in Chicago, IL and a resident of Ponchatoula, LA. Nashy was the youngest of four and loved to boss his older siblings around. He was known as a momma's boy, making silly faces, slick dance moves, being the life of the party, and eating anything that was placed in front of him. Nashy loved Mickey Mouse and if allowed would wear pajamas everywhere he went. He was extremely affectionate, strong willed, and kindhearted. Nashy left a strong impact on all who knew him and will be deeply missed.

Nashy is survived by his Mommy and Daddy, Brandon and Rachel Bennett; partners in crime, Beabee, Sissy, and Leafy; grandparents, Mimi and Papa, Nanny and Pop; great-grandparents, Granny and Granddaddy, Maw Maw and Paw Paw; a slew of cousins, aunts, and uncles; and friends and teachers at Strawberry Castle Preschool.

He was preceded in death by his great-great-grandparents, Paw Paw B.B. and Maw Maw Eevee; great-grandparents, Maw Mee and Paw Pee, Grandma and Grandpa.

Relatives and friends are invited to attend the Celebration of Life Service at the Ponchatoula Fire Department on the corner Pine St. and 1st St. on Saturday, July 8, 2017 at 12:00 p.m. The family has requested that everyone

who attends wears pajamas.

In lieu of flowers donations may be made to Savannah Smiles at P.O. Box 2103 Slidell, LA 70459, <http://www.savannah-smiles.org/>, in honor of Nashy.

Condolences and other information are available online at www.thompsoncares.com.

Arrangements have been entrusted to Brandon G. Thompson Funeral Home.

“ *12/16/18 Just saw Brandon for the first time at the IP casino. How hard it must be for Brandon to sing "You gave me A Mountain Lord" knowing his little one is no longer by his side. I know that has to be a burden for him and his wife. He has prayers going up for his family for God to lighten his load a bit and know all is well with the little one that is no longer with him. So sorry for what happened. May God strengthen you all and wrap his arms of love around you. God Bless to the Bennett family.*

“ I don't really know Brandon very well, only from the ETA world...Rachel I never met. Never met baby Nash but I can tell you my heart is broken for this family. I have cried this past week like he was my own.... I have grandchildren his age. I know Nash is in heaven with all the other babies, my only consolation. I pray God leads you to peace through the love he has given to you all.

THE SAD ANGEL

*It was a bright and beautiful day in heaven,
the streets were strewn with beautiful flowers of every kind imaginable
Angels were talking in excited tones and laughter rang from all around!
Halos were polished to a gleam, Wings were wide and full,
Each angel carried a candle that was lit!
They lined up in rows two by two, it was going to be a wonderful
celebration.*

*Every one was ready the parade was about to begin!
An Angel who was in line and ready to go, glanced over to the park,
And saw a the tinniest angel sitting alone, his halo was not polished
and wings were not unfurled!
And his candle was by his side unlit.
Tears were coursing down his tiny face!*

*The Angel walked to this tiny little angel and spoke to him:
Why are you not joining in the parade,
the little one looked up at the other Angel, and spoke:
I would dearly love to join in the celebration,
but each time I get my halo just right and my wings spread out and my
candle lit!
My mommy and daddy's tears put out the flame, because they miss me
so very much.*

*The other angel understood the tiny one all to well,
he gathered the tiny one in his arms and picked up his halo and candle
put each of them in their proper place!
and he told the tiny angel it will be OK*

*For today is going to be a celebration of love and welcome,
and I want you to say a prayer for your mommy and daddy.
And because today is a special day
I know they will hear your prayer and find comfort in knowing that you
are gone from there arms, but never there hearts.*

*The tiny angel began to pray
Dear Mommy and Daddy, I am thinking of you today,
and I miss you very much,
we are having a wonderful celebration today!
And I would like very much to join in.
But every time I lite my candle your tears put out the flame
and I cannot join in with all the others today, knowing how sad you are*

*with out me,
but weep no more mommy and daddy
I am not in pain,
and I am here with so many who will look after me until you are here to
do it*

*I miss you so very much!
And even though you cannot see me or touch me or feel me,
I am with you forever in your hearts!
so weep no more and know we will be together again and what a
celebration that will be*

*Don't grieve for me, for now I'm free.
I'm following the path God laid for me.
I took God's hand when I heard the call;
I turned my back and left it all.*

*I could not stay another day to laugh,
to love, to work or play.
Tasks left undone must stay that way.
I found that place at the close of day.*

*If my parting has left a void,
then fill it with remembered joy.
A friendship shared, a laugh, a kiss.
Ah yes, these things, I too, will miss.*

*Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full, I savored much,
good friends, good times, a loved one's touch*

*Perhaps my time seemed all to brief;
don't lengthen it now with undue grief.
Lift up your heart and share with me-God wanted me now, God has set
me free.*
