I miss you so much, now you have mom with you. Please watch over her, I'm so lonesome without you two. I don't know what to do with myself, I always had one of you to be there for me when I had a problem I couldn't settle. I'm drowning down here, you two were always there no matter what. I'm a mess my life is a mess. I need one or both of you to help me I don't know what to do. You always made the decisions for me when I was confused. I'm so lost without you I wish you were still here, I need you. I love 💕 you so much Rae Ann 💕🥺

All of his children will miss him ornery and very strict but he always made sure we had what we wanted and needed. Couldn't be there in person but by phone video I'm with him. Loved him so I'm the oldest God blessed me 65 years with him. I've been very blessed. Good bye Dad 💕 give everyone a hug from me. Will miss you and life will never be the same. Fly with the angels to heaven grandma is. Waiting. Love you ❤️❤️ Rae Ann
