“ *Nathan was not only my son, he was my best friend. We did a lot together... worked, fished, cooked, watched football, played with Nataly, talked (about everything) and much much more. Nathan, I will miss you always and forever. Love, Dad*

“ *Al, Denise, and Allison, it was emotionally hard to hear of Nathan's passing. I can remember him with Matt and their other buddies over at the house climbing trees, go cart racing, fishing and doing just about anything that boys their ages did. Playing with the skiff and pirogue having pirate battles is another thing they enjoyed. The endless track meets that the kids had. Nathan had a kind soul. He was loved. He will be missed. “ *So sad about this. We enjoyed the high school days with the kids running cross country. Nathan was such a smart and nice kid. We will be thinking of your whole family and praying for comfort. Jim and Sherry Reeve*

“ Nathan was one of the sweetest kids ever. At one of our visits he did all the cooking. His gumbo was especially delicious. When he visited us as a young boy we went to the Butterfly Center and he was fascinated with all the different butterflies. Now when I see a butterfly I will think of him. Rest In Peace Nathan. Will see you again when we get to heaven. Love , Aunt Karen and Uncle Harry
