“ *My heart goes out to you all. Such a shock! My heart is broken! Nick was the best co-worker ever! We spent hours talking about anything and everything. He was so caring and easy going. Just the best! I deeply regret not keeping in touch. Prayers for comfort in the coming days. Love ya Nick!*

“ *Lynn and Jessica. I'm so sorry for your loss. I remember us growing up together and living across the street from each other. Not sure if I'll be able to attend the memorial service due to having to work. The two of you are in my thoughts and prayers.*
