“ *It was with incredible sadness and shock when we learned of Nicoles passing. We knew Nicole through her physical therapy job. She performed PT on my Mama twice a week. Nicole was such a vivacious, big hearted, outgoing, loving, and so full of life person. Each visit was looked forward to, not as just a PT visit, but anticipated as a visit from a friend, especially by my Mama who just loved Nicole. She proudly told us about her family, husband and two girls, her dogs, and extended family. Such a young age to pass but God has a plan for us all. We will miss her and will cherish the memories we have of her. Our sincere condolences to her husband Michael and children Abigail and Olivia and all her family.*
