“ I am the stepdaughter of Mrs. Whitehead. She was married to my father Alex Stewart before is death. I remember when she used to take all us kids to Mrs Nona house. She used to give us cookies and milk. She always treated me as if I was her own granddaughter. I have never forgotten and will never forget the kindness she show me. My though and prayers are with you all. My god bless you and keep you safe.##imported-begin##Joanne Taylor##imported-end##

“ Sykes Family, just to let you know you are in our Prayers and thoughts....Sis Nona made such an impression on me when I first Recieved this Marvelous Acts 2:28 Message of New Testament Truth, (1962)with her knowledge of God's Word! I remember Once, she stood to testify, and with her humble way, quoted the Scripture, "Thy Word O Lord is a Lamp unto my Feet and a Light unto my pathway"! As the WORD went forth, the Glory of God came on Her and she danced before the Lord with all her might.....I will never forget what Glory filled the Place, I then had the Understanding of just how Powerful the Word of the Lord is to the Apostolic Christian.....Oh such memories in the House of God....

“ Uncle C.V. and Tinita - I think it would be safe for me to say I bet the last words Aunt Nona Mae spoke were "I love you". Although the stroke she had some years ago left her unable to communicate her thoughts very well, she was always able to say that. Every time I came to see her or if she happened to answer the phone when I called, the first and last things she would said to me was "I love you", and you could never leave her house without first praying with her. How precious!

You can both be comforted in knowing you took such good care of her. I'm glad that she is now free from the results of the stroke and free from all pain. Thank God!

Please know that we are praying that the Lord will give you comfort and strength.

Love,

Dink###imported-begin##Bro. Robert Donald Taylor###imported-end##
