“ Just wanted to share with you that I have fond memories of your mother. She was the first person to introduce me to watermelon rind preserves. I had never heard of such a thing! I remember how impressed I was with her knitting. Carol said she remembered the wonderful popcorn she made for us kids. She also introduced me to Charles Dickens! What a sweet, gentle, refined lady! May God comfort you as you go through this difficult time is my prayer.##imported-begin##Nancy Elick Prine##imported-end##
