“ *All through high school Leta and I shared many hours, on campus and off Where one went the other was there. There was really good times, some trouble times , some sad times but as long as we were together we could make it through. I have been out of touch for several years but will always cherish those years. May you rest in peace and your family's sorrow be eased.*

“ *Leita had such a beautiful voice. I could sit and listen to her sing for hours. I can remember her and Uncle Sonny singing years ago. They had such great harmony and put so much meaning into whatever song they would be singing that you could feel the love that they had/have for their LORD. She will be missed by many but her husband, children, grandchildren, parents, brothers, sister-in-laws, nieces and nephews will miss her the most. GOD will get you through this and time will help the emptiness that you are feeling get better. It never goes away but you learn to live with it because you know she is finally in her permanent home with her savior Jesus Christ!! We will all be together again in GOD,s time but until then she will be singing with the angels and all those that have gone on before her praising The Lord with all she has!!!! Amen, Amen. Love you Leita*
