“ I am so sorry to hear about Oneida passing . I knew Oneida from when my Aunt Leona and cousins all lived close by each other . Later we found each other on FaceBook and started chatting . Oneida and I used to private message every night " Goodnight my friend and May God Bless" I am going to really miss that little private message from her . I know where she is now because of her Faith . To the Family I send my Prayers and Condolences and May God send an Angel to lead , guide , and direct you through this time of need
