

Otis James Prine Jr.

December 21, 1951 - April 20, 2026

Otis, age 74, passed away on Monday, April 20, 2026. He was a resident of Kentwood, LA. Otis was the kind of man you could always count on. A hard worker through and through, he gave everything he had to the people and things he cared about. Otis felt most at home outside, where he could hunt, work with his animals, and enjoy the quiet that nature brings. Hunting wasn't just something he did, it was part of him. Otis had a special gift when it came to raising animals, especially white-tailed deer, and took great pride in the time and care he gave them. It wasn't just a hobby; it was something he truly loved. But more than anything, Otis will be remembered for his heart. He was kind and strong, the kind of person who didn't always need a lot of words to show how much he cared. If you were lucky enough to know him, you knew you had someone in your corner. His family was his whole world. Otis adored them, and they felt that love every single day. Whether it was through the work he did, the time he spent, or the quiet ways he showed up, everything in his life came back to them. He leaves behind a legacy of strength, kindness, and a life well lived. Otis will be deeply missed, always remembered, and forever loved.

He is survived by his daughters, Karen Prine-Perise, Patricia Buzzetta (Brandon); stepdaughter, Rhonda Anthony; stepson, Gene Porter; sisters, Sheila Prine, Ann Prine; brothers, David Prine (Maria), Peter Prine; grandchildren, Anthony Perise, Victoria Perise, Natasha Duran, Tashenma
