“ Pamela was always so happy when we crossed paths. She would send me funny quotes on Facebook, and even gave me some pants and sandals that she thought would look cute on me. She was a giving, caring person and more than once told me about how much she loved her family. You will be missed, Pam. RIP sweetie.

“ My deepest condolences to Brandon Boos, Beverly Riley, Lisa Carona, Dawn Verbois, Chandra Riley, Shelly Riley Stephany, John Riley and their families. I have been sitting here the past few days trying to find to exact words to express or to share a memory and I am at a loss. There were so many great memories of Pamela. I think just knowing her and how much she loved her family says it all. There is nothing that mattered more to her than family. I will always remember the days you lived with us and our funny conversations we had. And, the phone calls you made to let us know you loved us. We love you very much and will miss you dearly. May you Rest In Peace.

Love Always,
Melissa, JE and Kayla Riley
