*So sorry to hear of Mrs. Pats passing. She was always so welcoming and sweet when I would see her at First Baptist. Just a jewel of Ponchatoula and never failed to greet me and my family every time a function was happening at the church. John my heart breaks for your loss and your family. I consider you one of my best friends because we shared so many wild and crazy times in our youth and managed to survive to be our age when most would have predicted other. Love you man! Mr. John L. you always put up with John John and me and the rest of the characters and Mrs. Pat would stay out of it and allow John and his crew to head down the river and drink diet coke?? or whatever and have a good time. Mrs. Pat was always so cool and sweat and knew we were up to no good but she always allowed us the freedom to make our choices good or bad with the faith of God that she knew we would somehow make the right choices and please God. John John Your Mom was special and Very Sweet. Phil Robillard*
