“ I know that we grew apart after we both married and had our own lives raising our kids. Life has a way of getting in the way of friendships like that. But know that I often think of the many times we spent together having sleepovers at each other's house and working together at A&P. Those were such fun times and know that even though we didn't see each other I always considered us the best of friends. I know you are resting in peace in the arms of Jesus. Love you my friend.

“ Friends are a gift from God. They bring us joy, happiness and help us in times of need. That's why I can truly say how blessed I am to have Pat as a friend. I will always remember the special times we spent together over the many years of knowing each other. You are forever my friend and will forever remain in my heart. I love you my friend....I love you my girl! May GOD bless you and my thoughts and prayers are with the family.
