“ *Patrick was one of my first children(nephew). I love him as my own and grew up with him like a son . My favorite memory of Patrick was him and Robert as little boys riding in car talking about Robert having bad dreams . Patrick as a little one already knew that the only thing that would help in that scary time was for Robert to pray to Jesus cause that's what he did. Wisdom of a child, thank you Patrick for teaching me to trust in God. I know He has a plan even with our loss He is Stronger. I will forever be praying for you and loving you ❤️ Nanny❤️*

“ *Pat and Caitlin visited us with our daughter and son-in-law. They woke up the next morning only to find a slow leak in the air mattress that left them flat on the floor. Needless to say it's funny now. We hope that memories such as these are what we remember when we think of Pat. He definitely was a pleasure to be around. He will be sorely missed. Rest easy my friend.*

“ *It was my honor to be one of Patrick's many friends. He brought so much joy and laughter to all of those who knew him. I will miss his wit and laughter and spending time with him while watching Nicky and Jackson play. Pat made the world a better place just by being in it. I'm sure that Heaven is rejoicing to have such a beautiful spirit there to help watch over us all. Rest In Peace my friend.*

“ *My Packy, no one will ever understand our connection. You were my best friend , cousin , and partner in crime growing up. I'll forever climb trees , run in fields , catch alligators in the ditch (ok maybe I'll retire that one) remember the memories on the farm , margaritas in hammond and the millions of other things we did that made us smile. Forever and ever*
