Worked 3 major corporations for years.with you you always tried to teach me.and regardless of the arguements.we would have a successful outcome. “ Working with Paulette at Entergy was a new adventure each day. She was a wonderful mentor, work mom, role model, and partner in Christian faith. Although we did not get to visit as much as I would have liked, she will surely be missed. Our prayers are with our wonderful Paulette as she makes her journey to Gloryland. We love you all and God bless.

“ *I wish I had adequate words to describe the impact you made on me. When I was a little uncertain on my career path you took me under your wing to give me all the tips and tricks on how to rock the role of "Payroll Accountant." We can still hear you saying, "let me show you a little trick" or us joking about "soft skills." You were one of a kind and I am so glad I got to know you. You had a way to make a person feel special. You loved me hard when I was losing my own mama and I will always remember that. You also shared the joy of your own family, and it was nice to always hear how much you loved them. Thanks for always making the best cakes and of course lemon tarts. You knew the way to a girl's heart. Some of our best work memories are going over to your house to have a day of baking and of course feasting on your delicious food. Just know that you are loved deeply by your work family. Rest easy dear Paulette, we will see you again.*

To Mr. Paul, Amber and the rest of the family, I send my deepest condolences and prayers. Thank you for sharing her with us for all these years. She will be deeply missed.

So sorry for the loss of this generous giving person I could call a second sister. She was the glue that held everyone together and will be sorely missed by family and friends.

She is now a powerful angel in our corners!

Much love, Gerry and Elaine Bauer
