“ Once when I was having an incredibly bad week and arguing with close friends of mine, everything was looking down to me. She took her time to give incredibly patient, soft and kind advice. Reminding me that we all essentially love each other deep down.

*I have seen her treat complete strangers with so much compassion and respect. I was left in awe and admiration afterward. She was always the light of the room.*

*God bless you're soul. Your sincere kindness and sweet smile will always be remembered. You are so deeply missed. And you will always be cherished by many people forever.*

*Rest in peace Pauline. I can't wait to see you smiling on the other side in heaven someday. May God bless and take care of your family.*
