“ I have been told that Aunt Ruth had a very, very rough pregnancy with Percy, her firstborn. But she persevered, and, so, Percy was born, and grew up to be a big, strong man. I think most of you know, but when Percy was working at the N,O, airport, he got in a horrible wreck one morning that looked unsurvivable. He was pulled out and hospitalized, but was not expected to survive. For what seemed like forever, he clung to life, fighting to live. And live he did, surprising everyone. He persevered. And his life had purpose. He went on to become a father to three beautiful children. whom he loved dearly. Those beautiful children now have children of their own. Life goes on. Because Percy suffered so much on earth, I like to believe his soul went straight to Heaven with God, where he can see once again his parents and his brother, Henry.

“ My deepest sympathy go out to you and your family during this time of grief. May you have comfort and peace knowing that “The Bible calls Jehovah God “the source of life.” (Psalm 36:9; Acts 17:24, 25) The One who gave life to all living creatures is certainly capable of restoring life to someone who has died.” Please accept my condolence, and know we are here for you. If you have any questions please contact me at the email listed.
