

Peter Marion Calagna

February 14, 1966 - September 3, 2021

Peter, age 55, passed away on Friday, September 3, 2021. He was a longtime resident of Independence, where he graduated High School back in 1984. “ I don't even know where to begin...there's so so much I wanted to say and I never did and for that, I'll always live with regret. My heart is completely broken. I have missed you so much for the last 2 years and now I will miss you for all of the years to come. For the years that I knew you, my heart was full of so much love and protection, countless tears of laughter (especially when you busted through my chair!), and the amount of support you gave me through the hard times I went through you were a best friend and I'm grateful for you. I don't have one bad memory of you and I'm thankful for all of the great ones! I'm blessed to have had you as my father-in-law and friend. You were most definitely taken way too soon but if God needed you more, at least I know you're looking down on us here on Earth. We're lucky to have one of the best guardian angels taking care of us from above. I will miss you every single day and I hope and pray that you know I never stopped missing you or loving you for one single second Big Papa!!!

“ September will forever be a hard month to get through. Not only did I lose you, but I lost my bestfriend as well. You always were there for me when I needed you most. I'll always remember our random Walmart trips of running up and down the aisles, our everyday phone calls , and our morning school sessions. I remember this one specific time we took uncle Greg's mustang racing down the highway, but of course we couldn't tell him you said ! (Sorry Greg) Then two weeks later NASCAR you wrecked it ! You never missed a ball game when you could have. You were the one person I knew would protect me. I'll miss coming to your house just to sit and talk with you for hours . I'll always love you and miss you. Forever and always, your baby Nay!❤️

“ This doesn't seem real. I miss you so much already. I remember the first time I met you and I tried running you off from dating my mom. Boy, we laughed about it to this day. I'm so thankful that you stayed and made my mom the happiest woman! You loved me as much as I loved you and the memories we made will forever be in my heart. You were our rock and the one person who had our backs and shoulder to lean on. You were one of a kind, crazy and loving, and I will always love you. Love Jenny

As Christmas approaches, This will be the third holiday without you. We miss you still to this day and continue to keep your memories alive. You left a big hole in all of our hearts, but we're being strong like you would want us to do! They say it gets easier but it don't. You still mourn the one person who meant so much to us all. You're finally a great-grandpa to a baby boy, born on Veterans Day! I always think you had something to do with that. We sure miss and love you! Til we meet again, love Jenny
